

The same Rick Orloff?

Dear Editor:

Pages 6 and 7 of the fall issue of the Richland Township Times newsletter should be required reading for all the tax paying residents of Richland Township. On page 7 Supervisor Rick Orloff projects that the township property tax rate will increase from 2.5 mills to 7 or 8 mills in fiscal year 2009, an increase of about two hundred percent. Is this the same Rick Orloff who led a petition drive against the school directors after school district property taxes increased fifty per cent in six years?
